“ For we are God’s handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do. **Ephesians 2:10**

Mosaiek Invest is a strategic initiative dedicated to stewarding capital and operational resources with excellence and purpose. By carefully managing these funds, Mosaiek Invest plays a pivotal role in enabling our community of faith to fulfil its calling and live out God’s dream for us.

Years ago, the phrase “the art of life” awakened in us an imagination of life with Him. This art is practiced in the three most significant relationships that shape our lives; our relationship with Him, with each other and with our world.

To achieve this, we commit ourselves to the good works He is calling us to. Perhaps you feel moved to dedicate yourself to His good works – offering your time and energy to help build the Kingdom of God alongside the Mosaiek family. Pray about it – it could be one of the most significant growth experiences of your life.
